#### 1.0 EXECUTIVE SUMMARY

The Public Service Appellate Tribunal established in 1984 and started sitting in 1988 is known to most public servants for whose interest and welfare it is concerned. As is expected not many such matters will reach the forum where there is a principled Public Service Commission. During the year in review two complaints were filed but both were later withdrawn.

Since the jurisdiction of the Tribunal is extremely limited it may be advisable to extend same by -

- (a) Give it the power to award damages or compensation for losses.;
- (b) Empower it to hear appeals against the Teaching Service Commission also.

The Tribunal servies the purpose, perhaps primary, of expediting the hearing of appeals of/by pensionable public servants instead of having them join the long list of matters in the High Court that must go through the normal course of action.

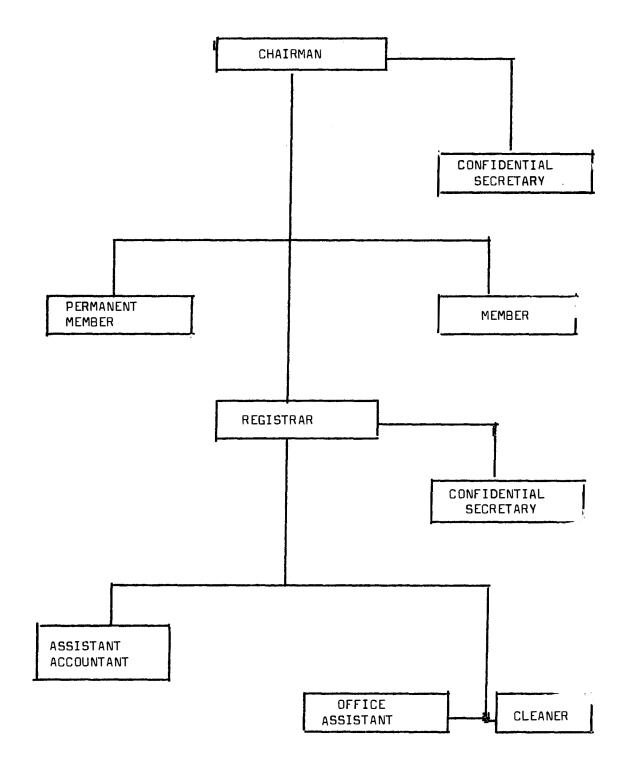

PUBLIC SERVICE APPELLATE TRIBUNAL 1996-08-06.

#### 2.0 MISSION STATEMENT

The mission of this office is to see justice granted to all pensionable public servants in relation to appointment by promotion of any person to a public office, and the exercise of disciplinary control over any person holding, or acting in any public office.

#### 3.2 <u>Description of Divisions and Departments</u>

The Public Service Appellate Tribunal consists of an Administrative and a Legal Section.

1. The Administrative Section — is supervised by the Registrar of the Tribunal and is responsible for the general administration of the office and the smooth running of the Department. The Registrar handles all personnel matters, such as leave, resignations, Annual Confidential Reports and the overall discipline of the office staff. Also with the administrative functions the Registrar accepts appeals from Public Officers and processes same for hearing by the Bench of the Tribunal.

Accounting matters are handled by an Assistant Accountant who reports to the Registrar. This entailed the preparation of paysheets, remittances and withdrawals from the Consolidated Fund, recoupment of Imprest, keeping of Imprest, payment vouchers, cheque orders, bank deposits, taking vouchers to the Treasury and collecting cheques, returning cheque order vouchers to Treasury preparing monthly Financial Statements, keeping votes, salaries, travelling and imprest ledgers along with other related accounting duties.

2. The Legal Section - comes directly under the purview of the Chairman who is ably assisted by a permanent member and two part-time members. This section expediously deals with all the appeals that come in from Public Officers. At least three members sit on the Tribunal to hear an appeal. The appellant is normally represented by Counsel while the Public Service Commission is represented by the Attorney General's Chambers. After appeals are heard decisions are given orally or written as is appropriate. These Decisions can be obtained from the Registrar for the payment of a small fee.
