(Indicate whether Resident Acting Partner for the time being, Executor and Administrative Trustee or the Attorney, Agent, Manager, & c.; in cases where partner is resident in the Territory.)

N.B. - In the case of persons carrying on business in partnership, the Resident Acting Partner, or the Attorney, Agent or Manager, where no partner is resident in the country, is required to render a joint Return of the full profits of the partnership, although liability to tax attaches only to each of the partners in his/her individual capacity. Each resident partner must therefore render a separate Return of his/her share of the partnership profits and also of any personal income which he/she may possess. The Return of the share of any non-resident partner must be made on his/her behalf by his/her Attorney, Agent, Manager & c. The same applies *mutatis mutandis* to beneficiaries.
