Amount that may be withdrawn.

17. (1) Subject to subsection (2), the amount that may be withdrawn from the Fund pursuant to section 19 in any fiscal year shall be subject to a ceiling calculated in accordance with the First Schedule.

First Schedule.

(2) In the fiscal year that this Act comes into operation, notwithstanding the provisions of subsection (1) and of the First Schedule, the ceiling on the amount that may be withdrawn shall be the total balance accumulated in the account described as “the Natural Resource Fund” as at the date that the Act comes into operation.

(3) The Minister shall cause to be conducted, periodically and not less than once every five years, a review of the implementation of the First Schedule and shall submit a report on the results of that review to the National Assembly.

Emergency financing.

18. (1) In the event of the occurrence of a major natural disaster, the

Minister may request a withdrawal from the Fund for emergency financing.

(2) A request pursuant to subsection (1) shall only be made by the Minister when there has been a major natural disaster in the current or two preceding fiscal years.

First Schedule.

(3) The total amount requested for emergency financing for a fiscal year shall not be subject to the ceiling calculated in accordance with section 17 and the First Schedule.

Approval of
withdrawals from
Fund.

19. (1) The amount that the Minister shall request the National Assembly to approve as the withdrawal from the Fund for the next ensuing fiscal year shall be included in the annual budget proposal and shall not exceed, for that year, the ceiling calculated in accordance with section 17 and the First Schedule plus any amount required for emergency financing.

First Schedule

(2) The amount that National Assembly shall approve as the withdrawal from the Fund for the next ensuing Fiscal Year shall be included in the annual budget and shall not exceed, for that year, the ceiling calculated in accordance with section 17 and the First Schedule plus any amount required for emergency financing.

(3) In the event that the annual budget proposal approved by the National Assembly for a fiscal year does not include a withdrawal for emergency financing and a major natural disaster occurs during that fiscal year, the Minister may request that the National Assembly approve a withdrawal for emergency financing for that fiscal year, which shall be included in a supplementary appropriation Bill.

Contents of annual
budget proposal.

20. (1) The annual budget proposal shall include –

- (a) an estimate of the withdrawal from the Fund for the next ensuing fiscal year and each of the next following three fiscal years;
- (b) an estimate of the deposits into the Fund for the next ensuing fiscal year and each of the next following three fiscal years;
- (c) a detailed estimate of petroleum revenues for the next ensuing fiscal year and each of the next following three fiscal years;
- (d) an estimate of the expected nominal total return per annum of the Fund for the next ensuing fiscal year and each of the next following three fiscal years;
- (e) a comparison of actual withdrawals from the Fund with the amount approved by the National

Assembly for withdrawal from the Fund for the past three fiscal years.

(2) In the event that the annual budget proposal includes a request for a withdrawal for emergency financing then in addition to the information outlined in subsection (1), the annual budget proposal shall include -

- (a) a detailed report describing the major natural disaster and its impact on the environment and population of Guyana;
- (b) a detailed report explaining why a withdrawal for emergency financing is required, the projects it will be used to finance and how those projects ameliorate the effect of the major natural disaster;
- (c) a table showing for the next ensuing fiscal year the total withdrawal being requested from the Fund and the withdrawal being requested for emergency financing for that fiscal year.

Contents of
Supplementary
Appropriation Bill
for emergency
financing.

EXPLANATORY MEMORANDUM

This Bill seeks to establish the Natural Resource Fund to manage natural resource wealth. It seeks to mandate the parties involved with managing the Fund to ensure that resource wealth benefits both current and future generations of the people.

PART I of the Bill sets out the short title and the definition of key words and terms found in the Bill.

PART II of the Bill establishes the Natural Resource Fund. The fund is established to manage the natural resource wealth of Guyana for the present and future benefit of the people of Guyana in an effective and efficient manner. The fund shall be managed according to the principles of good governance including transparency and accountability, and international best practices including the Santiago Principles.

PART III of the Bill seeks to provide for the establishment of a Board of Directors. The Board will be responsible for reviewing and approving the policies of the Fund and monitoring the performance of the Fund. This Part also establishes a Public Accountability and Oversight Committee with the responsibility of providing non-governmental oversight of the operations of the Fund. Additionally, this Part deals with the management of the Fund. The Board of Directors is entrusted with the responsibility of managing the Fund. Additionally, the Bank of Guyana has the responsibility for the operational management of the Fund. This Part also establishes the Investment Committee which shall advise the Board of Directors on the Investment Mandate.

Part IV of the Bill seeks to set out what revenues shall be deposited into the Fund and the conditions for withdrawals from the Fund. Also, this Part seeks to set out the relevant calculations needed for ensuring that the Fund achieves its purposes and seeks to provide for emergency financing in times of major natural disasters. Further, this Part aims to require Government to seek Parliamentary approval for withdrawals from the Fund and aims to provide for additional documentation in the annual budget proposal to facilitate proper management of the Fund. It also seeks to provide for the contents of supplementary appropriation Bills seeking financing from the Fund in times of major natural disasters.

PART V seeks to specify how and in what ways the Fund can be properly invested and seeks to require that the Fund remains unencumbered.

PART VI seeks to provide for proper accounting and reporting regarding the Fund. It seeks to mandate the Bank of Guyana with responsibility to prepare accounts and reports and to audit the accounts and records pertaining to the Fund. The Auditor General is also required to perform an external audit, the report of which shall be submitted to the Minister along with the report of the internal audit. This Part also provides for the publication of reports.

PART VII of the Bill seeks to provide for confidentiality from all persons involved in the oversight and management of the Fund.

PART VIII of the Bill seeks to provide for offences and penalties for contravention of the provisions of the proposed Act.

PART IX seeks to provide for, inter alia, codes of conduct for persons involved in the management of the Fund, Secretariat for the Board of Directors and other bodies established

by this Act, and consequential amendments. This Part also provides for the repeal of the Natural Resource Fund Act 2019.

The First Schedule contains a simplified and transparent methodology in which the ceiling on annual withdrawals is calculated.

The Second Schedule contains the ceilings and floors for the investment of the Natural Resource Fund for the purpose of long-term savings.
