### **Explanatory Memorandum**

This Bill seeks to amend the Marriage Act to repeal the residency requirement for persons seeking a marriage licence granted by the Minister, the requirement that persons seeking a licence must submit a petition to the Minister two days in advance of the date on which the licence will be utilised, and the requirement that the Minister must consider objections to the grant of the licence before granting it.

Section 43 of the Act presently requires that the application by petition for a licence to marry be lodged at the office of the Minister at least two days before it is required, and one of the parties intending to be married must have had his or her usual place of abode within Guyana for a period of fifteen days immediately before the grant of the licence. Section 45 provides that a person may object to the grant of a licence by the Minister and that the Minister may not grant the licence until the Minister is satisfied that the objection ought not obstruct the grant of the licence.

Clause 2 of this Bill seeks to remove the requirements in relation to the deadline for petitions for a licence and in relation to residency.

Clause 3 seeks to remove the requirement that the Minister considers objections before granting a licence.
